

## **Total Document Solutions announces formation of TDS Denver, LLC with acquisition of TAB's Denver records management operations**

LEESBURG, Virginia (Monday, December 18, 2017) – Total Document Solutions (TDS), a leading records management and back-office services company, announced today that it has entered into an agreement to acquire the assets of TAB Products' Denver, Colorado operations. The new company, TDS Denver, LLC will be a wholly-owned subsidiary of TDS and will serve the extended Rocky Mountain region.

"TDS' focus for the past 17 years has been serving the law firm and corporate legal department market," says Jennifer Graham, Principal at TDS. "The formation of TDS Colorado enables us to expand our focus to include clients in the Energy, Medical and Government sectors. We look forward to sharing best practices as we grow our footprint in the Midwestern states."

"We appreciate the opportunity to work with so many different Denver companies over the past several years and are confident that our customers will be well served by TDS," says Jonathon Shea, President of TAB.

Carol Ann Hartnagle, Colorado native and immediate past Chair of the Mile-High Denver Chapter of ARMA, will serve as General Manager of the new entity. Carol Ann has over 25 years in the records management and information governance field and says, "I am delighted to join the TDS team. This acquisition allows us to serve as a trusted local resource to help clients manage their information assets. Being part of the TDS family will help propel our business forward."

TDS Colorado assists organizations with managing their critical information assets and creating efficiencies. From enhancing existing information governance processes and staff to expert information lifecycle management, TDS will increase access to information and cost effectively manage back-office operations.
